ALMA MATER

Hail Alma Mater, so dear
To you a rah and a cheer.
We trod thy sacred halls
To answer thy bell's call.
May our efforts be not in vain
For knowledge is our gain.

Hail Alma Mater, we sing to thee,
Thy name within our hearts
Will treasured be.
As the days go by our thoughts
Will turn, and give thee the praise
For all we've learned.

PRINCIPAL'S MESSAGE

As you enter through these doors it should be with a sense of pride and gratitude--pride that you have such a fine and imposing building with modern facilities and equipment--gratitude that your parents have gladly made it possible for you to attain the foundation for an education in most any field of specialization that you may desire.

You are living in an age of science and space--an age of change, discovery, development, rockets, electronics, skill, and technology. The way of life, the way of doing things, and the way of education have been undergoing tremendous changes during recent years and will continue to undergo far greater changes in the future.

You will find the challenges interesting that confront you and the competition great in every field of endeavor. You must possess the general education, the skill, and the know-how to cope with the ever increasing demands that will be always in front of you.

The days that you spent in high school can be either stepping stones to a higher, richer, and nobler life or to one that will be fraught with disaster and hardships. A good attitude and much application to your subjects and duties will help you to get started on the road to success and happiness in life.

In the future, as you turn through the pages of the Castletonian, may it bring back to you pleasant memories and the worthwhileness of the days you spent in Castlewood High School.

J. E. CARTER, Principal

A school always takes pride in the achievements of its graduates. Miss Betty Sexton, our secretary, is a 1958 graduate of Castlewood High School.

Mr. John Graybeal is our assistant principal. He is a great asset to our school and has faithfully executed his duties in an efficient and understanding manner. Our sincere thanks go to Mr. Graybeal for his counseling and his part in making our school life successful.

THE SENIOR CLASS

The year of 1959-60 will be an unforgettable year for most of us. "They said it couldn't be done!" We proved to ourselves and to others that strength can lie in small numbers. The smallness of our class has drawn us into closer bonds of FRIENDSHIP and FELLOWSHIP and a keener sense of responsibility to our class and to our school.

Seniors, let us pause before taking departure from the scenes so dear to us and look back over the happenings of four (or more for some of us) momentous years. It seems as if it were only yesterday that we were green freshmen. As we reminisce over the past three years, we call our days in high school as a glorious combination of having FUN and learning.

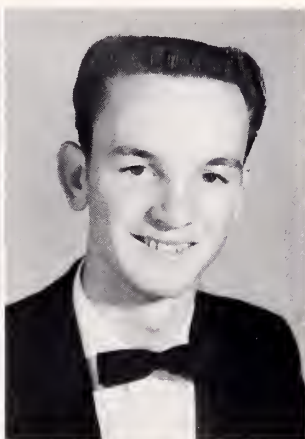

Then came that all important junior year. One notable event was the Junior-Senior Party. The theme we used was "A Song in My Heart".

Our classes, teachers, clubs, sports, and friends are all segments of our happy days at Castlewood High. These among many others have aided us in preparing for our future and instilling in our hearts memories that we will always hold dear.

Life has been about the same with us as with the seniors who have gone before us. We are now standing at the threshold of a new world. We have stood together here as high school students; may we still stand together through all time and show the world that C.H.S. can send forth boys and girls who are surpassed by none.

Mrs. Gibson awards the winners, Phyllis Minnick and Cecil Mays, for soliciting the most ads.

ORGANIZATIONS

S.C.A. ATTUNED TO DEMOCRACY

John Corriveau, president of S. C. A.

The Student Cooperative Association is unique in that every student in school is a member. The council is made up of the five elected officers, the class presidents, and an elected representative from each homeroom. Probably the outstanding service rendered by the council is patrolling the lunch lines every day so that members of the faculty may have free time for lunch. The council plans and conducts assembly programs once each month. The S. C. A. arranges for flowers when there is a death in the home of one of the students. They collect contributions for worth-while organizations.

The S.C.A. encourages good citizenship on the part of each student and cooperation among the students and faculty to make a better school.

They designed the seal for the school.

HOMECOMING QUEEN

CHERYL SMITH

From a court of princesses chosen by the football squad, Cheryl Smith was elected the 1959 Homecoming Queen. The winner was kept a secret until the night of the game.

This homecoming game will be one of our memorable events. The weather was favorable, the band marched the "peppiest", the cheerleaders cheered the loudest, the team played the hardest, and we were victorious over the Haysi Tigers. The score was 27 to 7.

A dance in the Castlewood High School gym climaxed the night.

Captain James Duncan crowns Cheryl Smith queen of the football Homecoming.
